Chair
Art. no.: 2-361

Description:

Refreshingly new, with stitching inspired by sports cars, combined with classic virtues in the form of a stylish wooden frame. The main features of this spacious chair are a soft and very comfortable seat and backrest that allow for various seating positions. The design builds a bridge between many elements, such as the soft and the masculine, innovation and tradition, and private and public spaces.

Year of design: 2014
