
Édouard

ARMCHAIRS

Antonio Citterio

Description

Édouard is a family of innovative upholstered furniture endowed with powerful aesthetic and functional charm: armchair, sofas and sectional seating elements (chaise longue, terminal and corner elements) designed to create restful areas that suit both the space available and the personal taste. The system offers two typologies which differ in the back height structure, namely 92 cm for the armchair and sofas, and 85 cm for the sectional elements. The sofas have been designed to enhance comfort with a wide seat and a high backrest, which can also be fitted with a headrest, studied to ensure efficient and excellent ergonomic support.

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
